WITHDRAWAL OF TERRITORY FROM
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
DETACHMENT OF TERRITORY FROM
COUNTY LIGHTING DISTRICT LLA-1
PETITION NO. 4-210 (FAIRGREEN AVENUE, ET AL.)
UNINCORPORATED EAST ARCADIA AREA
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to proceed with the withdrawal of territory from County Lighting Maintenance District 1687 and detachment of territory from County Lighting District LLA-1.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and file Petition No. 4-210 for the withdrawal of territory from County Lighting Maintenance District 1687, detachment of territory from County Lighting District LLA-1, and abandonment of the proposed installation of street lights within the petition area and the assessment for the costs thereof, as previously approved under Petition No. 21-207.
2. Adopt the Resolution of Intention to Withdraw Territory from County Lighting Maintenance District 1687 and Detach Territory from County Lighting District LLA-1, Petition No. 4-210 (Fairgreen Avenue, et al.).

3. Set a date for a public hearing regarding the withdrawal of territory from County Lighting Maintenance District 1687 and detachment of territory from County Lighting District LLA-1 not less than 10 nor more than 30 days after the date of the adoption of the Resolution of Intention.
4. Instruct the Executive Officer of the Board to give notice of the public hearing by causing the notice of the public hearing to be published by one insertion in such daily, weekly, or semiweekly newspaper most likely to give notice to the inhabitants of the district of the proposed withdrawal of territory from County Lighting Maintenance District 1687 at least 5 days prior to the date of the public hearing, and cause said notice of the public hearing to be posted in three conspicuous places within the territory to be withdrawn and within three conspicuous places within the remaining portion of the district at least 1 week prior to the date of hearing, pursuant to the California Streets and Highways Code section 5845.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the area represented by Petition No. 4-210 will not be benefited by remaining within County Lighting Maintenance District 1687 and that the remaining territory will be benefited by continuing as a maintenance district.
2. Adopt the Resolution Ordering Withdrawal of Territory from County Lighting Maintenance District 1687 and Detachment of Territory from County Lighting District LLA-1, Petition No. 4-210 (Fairgreen Avenue, et al.).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is for the Board to approve and file Petition No. 4-210 (Fairgreen Avenue, et al.) for the withdrawal and detachment of territory from County Lighting Maintenance District 1687 (CLMD 1687) and County Lighting District LLA-1 (CLD LLA 1), respectively (collectively, County Lighting Districts), and abandonment of the installation of street lights for Petition No. 21-207, as previously approved by the Board.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Community and Municipal Services (Goal 3). We ensure service excellence by responding promptly to the requests of the community regarding street lighting issues, thus ensuring timely delivery of this customer-oriented municipal service.

FISCAL IMPACT/FINANCING

With the withdrawal and detachment of territory known as Petition No. 4-210 from the County Lighting Districts, street lights will not be installed in the petition area resulting in an annual saving of \$3,180 to the County Lighting Districts. In addition, the proposed withdrawal and detachment of territory from the County Lighting Districts will result in the cancelation of a minimal property tax growth transfer from the affected taxing entities including the Los Angeles County General Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On January 6, 2009, the Board approved and filed Petition No. 21-207 (Fairgreen Avenue, et al.) for the annexation of territory and installation of street lights within the area designated as Petition No.

21-207. A public hearing was held on July 28, 2009, at which time assessment ballots were tabulated and no majority protest was found to exist. The Board subsequently ordered the annexation of the territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, the installation of street lights within the Petition No. 21-207 territory, the levy of assessments in Fiscal Year 2009-10, and approved the exchange of property tax revenue between County Lighting Maintenance District 1687 and other taxing entities providing service to the annexation area.

Shortly after Board approval, a property owner within the petitioned area contacted the Department of Public Works (Public Works) and stated that property owners within the area no longer supported the installation of street lights and requested a petition for the withdrawal of the area from the County Lighting Districts and abandonment of the installation, operation, and maintenance of street lights previously approved under Petition No. 21-207. Public Works held a community meeting on March 3, 2010, and subsequently mailed Petition No. 4-210 to the petitioner for the withdrawal of territory from the County Lighting Districts and abandonment of the street light installation previously approved under Petition No. 21-207. On May 25, 2010, Public Works received Petition No. 4-210 signed by property owners representing over 69 percent of the petition area.

Under California Streets and Highways Code section 5844 (within the Improvement Act of 1911), the Board may withdraw any portion of a maintenance district, such as the County Lighting Maintenance District 1687, that would not be benefited by remaining within the District. Requirements for the time of hearing, publication, and posting notices for the public hearing are set forth in Section 5844 of the Streets and Highways Code. Section 5846 of the Streets and Highways Code provides that the Board shall consider and pass upon all objections to the withdrawal of territory from any person appearing at the hearing.

Under California Streets and Highways Code section 22605 (within the Landscaping and Lighting Act of 1972), the Board may order the detachment of territory from an existing assessment district formed pursuant to the Landscaping and Lighting Act of 1972, such as the County Lighting District LLA-1. Pursuant to Section 22609 of the Streets and Highways Code, the Board may dispense with the resolution initiating proceedings, engineer's report, and posted and mailed notice of hearing, and may initiate proceedings by the adoption of a Resolution of Intention. The resolution initiating proceedings, engineer's report, and posted and mailed notice of hearing for the detachment of territory from County Lighting District LLA-1 are, therefore, not required.

The enclosed Resolution of Intention must be adopted to initiate the withdrawal and detachment proceedings and set a date for the required public hearing.

With Board approval of the enclosed Resolution Ordering Withdrawal of Territory from County Lighting Maintenance District 1687 and Detachment of Territory from County Lighting District LLA-1, Petition No. 4-210 (Fairgreen Avenue, et al.), as requested by signers of Petition No. 4-210, Public Works will cancel the filing of Petition No. 21-207 with the State Board of Equalization for the statement of boundary changes.

The enclosed resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed action to withdraw territory from County Lighting Maintenance District 1687 and detach territory from County Lighting District LLA-1 is not a project pursuant to the California Environmental Quality Act (CEQA) because it is an activity that is excluded from the definition of a project by Section 15378(b)(5) of the CEQA Guidelines. The proposed action is an administrative activity of government which will not result in any physical changes to the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The withdrawal and detachment of territory from the County Lighting Districts will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and the signed resolutions to Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Angela Gadsden); and to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,
